## COMPLEX PROBLEMS MADE SIMPLE

### OVERVIEW

BCOMPLEX is a Woman-Owned Small Business (WOSB) consulting firm, offering Domain Experts, tailored services and simple solutions to complex problems. Our experts have built a reputation over 20+ years as trusted advisors to Civilian, Defense and Commercial clients. We implement leading-edge technologies, improve operations for mission-critical programs, lead organizational transformations as domain experts across Health, Administrative, Engineering and IT areas.

We are committed to our client's success and achieve tangible results by keeping solutions to complex problems, simple: **S**elfless, **I**nnovative, **M**eaningful, **P**ractical, **L**ucid and **E**fficient.
